

When it comes to managing vehicles and keeping fuel costs under control, there's one card that has the features you want...

...the R. H. Foster Energy, LLC Fleet Card.

## THE BENEFITS

**Convenience:** See the reverse side for a list of IN-NETWORK Fueling Locations that accept the R. H. Foster Energy Fleet Card. There's a location near you!

**PLUS ...** you'll gain access to the CFN & Fuelman Network and its 40,000+ Fueling Stations, which are located throughout the Continental United States. When outside our network of fueling stations, just visit [cfnfleetwide.com/site-locator/](http://cfnfleetwide.com/site-locator/) for a list of CFN & Fuelman Network locations. What's more, you will still be able to enjoy the same friendly, convenient billing service you've come to expect from us.

**Cost Control:** You are provided one consolidated bill - all vehicle fleet fuel expenses appear on one easy-to-understand detailed fleet management report and there is No Hidden Fees or Monthly Surcharge!
